RE: CAP-23-22, *An Action Relating to Health, Education, and Human Services, Law and Order, Budget and Finance, and Naabik'iyáti' Committees and the Navajo Nation Council; Amending the Charter of Diné College, 10 N.N.C. §§ 2001 - 2023*

Dear Speaker Damon,

Thank you to the Diné College Board of Regents, the President of Diné College and many others for working together to present these revisions to revitalize the Charter of the College. We appreciate the clarification provided in the sections of the Charter, in particular to the appointment of the Board of Regents, the authority to establish for-profit and non-profit entities, and the removal of language that is no longer consistent with the current structure of our Navajo government. We appreciate your collaborative effort to move this forward.

We recognize the significance of modernizing our higher education institutions of the Navajo Nation. The increase in the borrowing limit will allow the College to build a holding company or other entity to profit on its unique ideas and research and compete with others in the market. It will allow the College to build facilities and infrastructure to better serve the increasing numbers of Navajo students and local communities. We cannot forget our Navajo students that reside off the Nation; they deserve the opportunity to receive a formal education in Navajo culture and tradition that is offered by Diné College.

The revisions to the composition of the Board of Regents provide a modern, professional representation of our Navajo people and the incorporation of traditional Navajo values facilitates the mission of the College in providing a balanced, harmonious learning environment. Pursuant to the authority vested in the Navajo Nation President, I am signing CAP-23-22 into law.

Sincerely,

Jonathan Nez, *President*
