

RESOLUTION OF TEEC NOS POS CHAPTER

TNPCH-02-23-2026-FY26-R-60

SUPPORTING RESOLUTION REGARDING THE OBJECTION TO THE  
OFFICE OF NAVAJO GOVERNMENT DEVELOPMENTS (ONGD)  
EXPEDITED REFORM PROPOSAL; DEMANDING LEGALLY SUFFICIENT  
REVIEW & NON-CONFLICTED INDEPENDENT LEGAL COUNSEL.

WHEREAS:

1. Pursuant to 26 N.N.C., Section 3 (A) the Teec Nos Pos Chapter is a duly recognized certified chapter of the Navajo Nation Government, as listed at 11 N.N.C., part 1, section 10 and
2. Pursuant to 26 N.N.C., Section 1 (B) Teec Nos Pos Chapter is vested with the authority to review all matters affecting the community and to make appropriate correction when necessary and make recommendation to the Navajo Nation and other local agencies for appropriate actions; and
3. **Teec Nos Pos Chapter** is a Navajo Nation Chapter, in a chapter system which has been used since 1923 as the primary community forum for deliberation, consensus, and petitioning without autonomous power, and which remains in a state of enforced non-autonomy by the central government, whether or not the Chapter is certified or non-certified, awaiting the full restoration of the local autonomy and home rule exercising *Naachidí Nahat'á* hoped for by the 1995 proposal of the Local Empowerment Initiative; and
4. Because the Navajo Nation Department of Justice (DOJ) strongly objected to the proposal's emphasis on local autonomy, in 1998 the Local Governance Act (LGA) was enacted instead, which has been a system of demoralizing forever conditions, like being told you can own your own home, but only after you spend your life maintaining the property, and if you miss even one day of janitorial work (any clerical error), you have "proven" you aren't ready for ownership justifying more and more restrictions; and
5. We are tired of this administrative treadmill and yes, we believe the LGA is broken and does need fixing, but so far no one has asked us; not the DOJ which has been imposed on us as the "principal legal advisor," nor the Office of Navajo Government Reform (ONGD) which has the task in its plan of operations of empowering Chapters through offering proposals that "enhance, honor and comply" with Diné bi beenahaz'áanii Bitsé Silei at 2 N.N.C. §§ 201-206 (CD-92-20, Dec 23, 2020); and
6. We have long known of DOJ's efforts to "tweak" the LGA along the lines of its historical objection to local autonomy; we only recently learned of the ONGD's intent to "supersede" the Local Governance Act in its entirety and permanently separate Chapters from Navajo Nation property and resources, without notifying chapters of this intent, without convening any chapter hearings, and while making available only 48 pages of a 108 page comprehensive reform document; and
7. ONGD's proposal is intended to be rushed onto the Nov 3, 2026 ballot as a referendum question; it calls itself *Diyin Nohookáá Dine'é Bi Beehaz'áanii Bitsí Siléí—the Collective Will* but contains nothing but man-made law; perhaps it is simply using that name in order to technically comply with the conditions in its plan of operations; and

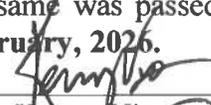

8. The ONGD has set March 6, 2026 as the final deadline for public input on its document, a date which cannot easily be found as it is not on its main website, yet is apparently the FINAL date for public input before the document is internally revised and prepared for certification by the Navajo Election Board by May; it appears ONGD wants to bypass all normal review, including Council consideration and majority chapter approval required under 26 N.N.C. § 1(E); and
9. Our principal legal advisor, the DOJ, has known of the ONGD’s massive effort that includes chapter restructure at least since the November 25, 2025 special work session of the Resource and Development Committee (RDC), which discussed ONGD’s document; and
10. We believe the DOJ is unable to act as our principal legal advisor especially in this case because there exists an inherent structural conflict of interest in the DOJ simultaneously reporting to the central government and having to defend and provide amendments in keeping with central government initiatives; and
11. We have so many questions—how can we respond to a 108 page document for which only 48 pages are available; how can a March 6 public input deadline before a document of that size is placed on referendum within 8 months even be acceptable under Navajo statutory law and especially Diné Fundamental Law; and why the race toward referendum of a document we are told emphasizes business and investors, and addresses Diné Nihi Keyah as a “commodity”? ; and
12. We believe that Navajo Election Board’s Resolution BOESS-070-14, which requires each referendum question be single subjects and not multiple subjects that would confuse voters, ought to prevent certification of largely unknown and unexamined content to be raced to ballot as a single referendum question.

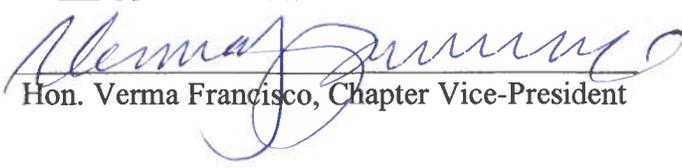

**NOW, THEREFORE BE IT RESOLVED THAT:**

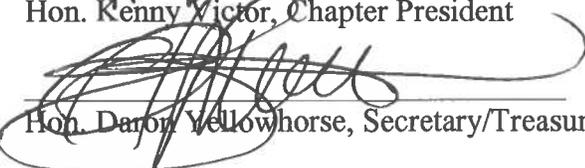

1. The Teec Nos Pos Chapter hereby supports the demands that the ONGD immediately release the 108-page proposal to be considered by the Navajo Nation Council and subjected to a formal, legally sufficient legislative review process pursuant to 26 N.N.C. § 1(E).
2. We believe the DOJ is conflicted and unable to properly safeguard the local governance interests of Chapters, due to its inherent structural conflict and as shown by its failure to disclose the ONGD’s strategy to supersede the LGA.
3. We demand that the Navajo Nation Council immediately appropriate emergency funds, or allow use of other funds, for the 110 Chapters to retain Independent Special Counsel to review the amendments proposed by the DOJ Chapter Unit and the ONGD proposal.
4. We formally petition the Navajo Election Board to review the ONGD reform proposal for compliance with Resolution BOESS-070-14.

**CERTIFICATION**

We, hereby certify that the foregoing resolution was duly considered by the Teec Nos Pos Chapter at a duly called meeting in Teec Nos Pos, Navajo Nation, Arizona at which a quorum of chapter members under was present. **Motioned by: Elise Dee and Seconded by: Arlene Ayze** and that the same was passed by a vote of **15**-in favor, **00**-opposed and **11**-abstained this **23<sup>rd</sup>** day of **February, 2026**.
